PML Product Number: PML366

Wonderful Presets for Serum 2

Crafted for Dreamy Soundscapes and Emotional Tracks

About This Pack

Elevate your productions with **120+ beautiful Serum 2 presets**, crafted by the PML sound design team in the style of **Ben Böhmer, Avoure, Tinlicker, Anjunadeep, This Never Happened, Armada Music** and many more!

Explore dreamy pads, emotive leads, deep basses, and sparkling plucks—all mapped with intuitive macro controls for fast inspiration and creative flexibility.

Each preset comes paired with a matching MIDI file, many written by PML's **harmony guy François**, giving you a perfect launchpad for your next track.

Built to fully harness the new creative features of **Serum 2**, this pack turns your ideas into timeless, expressive soundscapes.

Software Requirements: Serum2 V. 2.0.18 (or higher)

What Are You Getting

- **120+ Serum 2 Presets** – Bass, Leads, Plucks, Arps, Atmos
- **Including Matching MIDI Files** – One for each preset to kickstart your ideas
