

PML General Licensing Agreement

READ THIS BEFORE USING THE PRODUCT - IMPORTANT

This is a general license, applicable to all PML products. If you have further questions, please get in touch via email: support (at) productionmusiclive.com

The files contained in this digital product / download are licensed, not sold to you by Production Music Live (PML), so the ownership remains with PML and/or the creators of this pack distributing via PML. It's therefore strictly prohibited to engage in any copying, duplicating, lending, re-selling, trading or renting of this product.

The original purchaser of this product is the only person with the right to reproduce and embody the sounds, samples, presets, midi files, course videos and project files within their music compositions. Your purchased license can't be transferred and it's not permitted to share the purchased digital product with others. The original purchaser who's been granted the license may use the preset sounds, project files, samples and midi files combined with other elements and sounds in their music productions. This generally includes streaming, label releases, tv and radio programs or commercials, movie soundtracks and videos, computer games, typical purposes within musical compositions and performances in public.

The original purchaser is not authorized to use any of the preset sounds, samples, full or parts of project files and midi files from PML products in isolation for commercial projects or releases such as sample packs, preset packs, midi packs, sound pack bundles, sound libraries and/or CD sample libraries containing any of the sounds from PML digital download products. This will infringe copyright law rendering you liable for prosecution under the copyright law according to the German Copyright Act (UrhG) and law on the adjustment of copyright to the current requirements of the knowledge society.

This granted license is in effect for the full period of copyright protection for presets, samples, sounds, presets, midi files and project files and is non-exclusive. You are accepting these terms with the moment of opening or using this product.

Quick summary of license info for Project Files / Templates:

- These are educational Ableton projects.
- Rendering the project files (or templates) and releasing the exact songs as your own original content is prohibited.
- However, using the samples, presets, loops, rhythms, melody parts, etc included in the project files is perfectly acceptable when using in combination with other elements and sounds within your music productions..
- Redistribution of included sound banks and packaging are strictly prohibited.
- If you're not sure you fully understand the scope of this license, feel free to check out our License Page for further information <https://www.productionmusiclive.com/pages/pml-licensing-agreement>
- If you have any further questions regarding copyrights and royalty, email Support (at) ProductionMusicLive.com
